OWG 14-1 Budget Approved Recommendations

1. Recommends utilizing Georgia Southern’s institutional developed Budget Amendment System for tracking current and permanent budget amendments throughout the fiscal year.

2. Recommends utilizing Business Objects financial reporting system rather than iStrategy.

3. Recommends a common database system (PeopleSoft) will be used for the new Georgia Southern University.

4. Recommends the President and his cabinet define the allocation process for the new consolidated University.

5. Recommends utilizing PeopleSoft Budget Prep and Georgia Southern’s institutional developed Budget Amendment System for the original budget preparation process.
