**OWG 15-5 Banner Approved Recommendations**

1. Recommends that Georgia Southern University/Armstrong State University consolidate the Banner Student Information Systems with an A+B=A model (where A = Georgia Southern University and B = Armstrong State University).

2. Recommends the consolidated Banner system retain the original Georgia Southern IDs, Third Party Sourced IDs, and PIDMs (spriden_id, gobsrid_sourced_id, spriden_pidm). Armstrong State students, faculty, staff, and alumni will be assigned a Georgia Southern ID. This recommendation supports the A + B = A consolidation model where A equals Georgia Southern University and B equals Armstrong State University.

3. Recommends that Banner Document Manager/Xtender remain as our document management platform, with the A + B = A model, dependent upon the Banner OWG decision (where A = Georgia Southern University and B = Armstrong State University).

4. Recommends that Georgia Southern University/Armstrong State University consolidate the Degree Works with an A+B=A model.
