**OWG 3-7: Interdisciplinary Studies Approved Recommendations**

1. Recommends that the New University implement GSU’s degree structure, degree name(s), and program requirements for the Bachelor of Interdisciplinary Studies in both its online and seated iterations.

2. Recommends that the New University integrate the course offerings in Gender and Women’s Studies, African American and Africana Studies, and International Affairs and International Studies to streamline majors and minors in these duplicative areas.
