**OWG 4-1 Core Curriculum Approved Recommendation**

1. Recommends that in support of the new Georgia Southern University mission and the general education of our students, the new Georgia Southern University adopt the Core Curriculum Student Learning Outcomes (SLOs) listed below, pending the faculty approval process and subsequent approval by the Council on General Education. Area B for the new institution will be Global Perspectives:

**A.1 Communication Skills**
Students will use research and analysis to produce written communication adapted appropriately for specific audiences, purposes, and rhetorical situations.

**A.2 Quantitative Skills**
Students will apply mathematical knowledge using analytical, graphical, written, or numerical approaches to interpret information or to solve problems.

**Area B: Institutional Options-Global Perspectives**
Students will recognize and articulate global perspectives across diverse societies in historical and cultural contexts.

**Area C: Humanities/Fine Arts and Ethics**
Students will identify and critically examine human values expressed in historical and contemporary cultural products.

**Area D: Natural Sciences, Mathematics and Technology**
Students will use scientific reasoning and methods, mathematical principles, or appropriate technologies to investigate natural phenomena.

**Area E: Social Sciences**
Students will articulate and analyze how political, historical, social, geographical, or economic forces have shaped and continue to shape human behaviors and experiences.
